MELVILLE LITTLE ATHLETICS

... A ONE-PAGER

- Melville Little Athletics is made up of FOUR (4) Clubs – see next page for details.
- The weekly CENTRE COMPETITION is conducted at Len Shearer Reserve - Marmion Street ... predominantly on Saturday mornings (but also a few other date/dates) ... see SEASON CALENDAR – PAGE 4

“It is like doing a school athletics carnival EVERY WEEKEND – WOW!”

(Quote from many Little Athletes!)

- EACH Club trains on their respective identified oval / reserve / school during the week ... with the ‘Senior’ athletes (U/11s upwards) training at Len Shearer Reserve (Marmion St Booragoon) on TUESDAY AFTERNOONS.
- The COMPETITION DAY each week requires about 80 VOLUNTEERS to enable everything to run smoothly and ensure the athletes get the best experience. As such ALL parents / guardians will be rostered throughout the season – via their Club Manager / delegated person.
- If you or your child are hesitant about the commitment required... think about doing a ‘COME & TRY’ session... then once you have registered please talk to an experienced parent or Club / Centre committee member to get all the necessary details about preparing for the season.
- **Being an official**
You don’t have to be experienced to be an official and after a few weeks it becomes easier. We try and roster experienced parents to key official positions but as a minimum you need to be able to commit to at least six (6) Saturdays where you will be required to measure a jump or throw, rake pit or time a race between 7.30am & noon.

If you register more than one child you may have 7 or 8 rosters over the 14 competition meets. It’s hard to know until we know exact registration numbers. Before we email you the rosters for the season we will ask you what dates you are unavailable but once we have set the season roster you will have to organise your own swaps if required and advise your Club Manager / delegated person.

- **Registrations**

- **Open (online) on Saturday 5 Sep 2020... STILL being taken NOW.**

... register through the following website. <https://www.resultshq.com.au/login>

Cost ... U6 to U11 are \$230 ... U12 to U17 are \$240.
(same as last Summer – NO increase)
